

Internationales Hauptseminar Mobilkommunikation

Communication Technology Lab (IKT), ETH Zurich

Institute of Telecommunications (NT), TU Vienna

Institute for Circuit Theory and Signal Processing (NWS), TU Munich

ETH

Eidgenössische Technische Hochschule Zürich
Swiss Federal Institute of Technology Zurich

What's that?

- A seminar for motivated master students focusing on communication technology
- Students from host university give presentations
- Guest students can enjoy interesting program

Date	Location
Fri, May 22	TU Vienna
Fri, May 29	ETH Zürich
Fri, June 26	TU Munich

What do I get from this?

- Free trip to Vienna and Munich (incl. travel & hotel)
- Present your project to a broad audience
- Get insights into current research (5G, signal processing, machine learning)
- Network with students and faculty of excellent universities

Eligibility for Participation

You are currently working on or have recently finished a project in the Wireless Communications Group (Prof. Wittneben).

What do I have to do?

- Give a **30 min presentation** about your project
 - Convey recent scientific developments and demonstrate your work and findings.
- Enjoy the program in Vienna and Munich
 - Departure in Zurich on Thursday evening
 - Seminar and social program on Friday
 - Explore the city on Saturday
 - Return to Zurich on Saturday evening
- No costs: Travel and accommodation is provided

How can I participate?

- Number of participants is limited (4-6)
- If you want to participate, please contact Marc Kuhn, kuhn@nari.ee.ethz.ch
- Deadline: Sunday, March 8, 2020

Summary

- **Internationales Hauptseminar Mobilfunk**

Date	Location
Fri, May 22	TU Vienna
Fri, May 29	ETH Zürich
Fri, June 26	TU Munich

- **Responsibility:** Presentation on May 29 in Zurich
- **Contact** kuhn@nari.ee.ethz.ch until March 8

ETH

Eidgenössische Technische Hochschule Zürich
Swiss Federal Institute of Technology Zurich
